

Pain Reset Hypnotherapy – Disclaimer

Pain Reset Hypnotherapy provides professional hypnotherapy services designed to support clients in managing chronic pain, anxiety, stress, and nervous system regulation, as well as ongoing support through Pain Reset Continuity Care™ where appropriate.

Hypnotherapy is a complementary service and is not a substitute for medical, psychological, or psychiatric diagnosis, treatment, or care.

No guarantees are made regarding specific outcomes, as results vary between individuals and depend on a range of factors, including participation, motivation, and individual circumstances.

Clients are encouraged to continue any prescribed medical or psychological treatment and should consult their healthcare provider regarding any physical or mental health concerns.

By engaging with Pain Reset Hypnotherapy, clients acknowledge that participation is voluntary and that they accept responsibility for their own healthcare decisions.
